Mr. Robert C. Kirkwood, President
F. W. Woolworth Company
Woolworth Building
New York 7, N. Y.

Dear Bob:

Thank you for your letters of July 13 and
29 regarding Sunday openings.

I appreciate your advising us regarding
your position with respect to Sunday openings for
the Woolco stores, which is exactly the same as
the Kresge Company's present policy.

I sincerely hope that the popularity of
Sunday openings does not spread during the coming
fall and Christmas season.

Best personal regards.

Sincerely,
